

A Prayer for those with COVID-19 and those in the healing ministry-families and health care workers.

“Our help is from our God...Who is always awake... Our God will guard us and be at our side to protect us...God will protect us as we come and go...” (Psalm 121)

God ever present and ever caring, hear our fervent prayer for all who suffer from the coronavirus. May those who are infected receive the proper treatment and the comfort of your healing presence.

May their families, neighbors and we their caregivers be shielded from the onslaught of the virus. May we make it our business to educate and to follow the wisdom that we know at this time to prevent its spread.

Protect and guide those who strive to find a cure that their work and our work may conquer the disease and restore communities to wholeness and health. Help us to fast from fear and walk in wisdom, compassion and trust that you our God are ever present with us.
