CARE NAVIGATION
FOR PRIESTS & RELIGIOUS

Need Help Caring for an Aging Parent or Loved One?

Call your dedicated Care Navigation Center today to speak with a counselor with experience supporting priests and religious.

The relationship counselor will arrange the following:

1. Schedule an in-home assessment by a nurse

2. Identify health care support and services required by your loved one

3. Connect you with resources within the Archdiocese of New York

4. Answer questions you may have and provide solutions

About ArchCare

ArchCare serves people of all ages where they are most comfortable and able to receive care – at home, in the community and in nursing homes.

As the Continuing Care Community of the Archdiocese of New York, ArchCare views enhancing the lives of elders and others who need extra help to stay healthy and live life to its fullest as more than just a job.

To us, it’s a privilege and our calling.

ArchCare provides:

- Short-term rehabilitation
- Nursing home alternatives
- Home health services
- Specialized care programs
- Traditional long-term residential care
- Community engagement programs
- Health plans
- End-of-life and palliative care
