

To Students, Partners, and Friends of the ArchCare WIO:

Everyone at the ArchCare Workforce Investment Organization (WIO) wants to thank you for your participation and support during our three-year grant period, which concluded March 31, 2021. Though we are sorry to see it end, we remain extremely grateful for the opportunity to serve New York's long-term care workforce in providing quality training, education, and career advancing opportunities at no cost. During the last three years, we provided training and education to roughly 15,000 LTC workers who completed nearly 50,000 total courses. Additionally, while the COVID-19 pandemic was devastating New York, the ArchCare WIO quickly responded to the dire need for guidance and provided reliable educational resources for healthcare workers navigating the crisis. We are proud to have had the opportunity to support the LTC industry in providing vital care to those who need it the most.

New enrollment in courses will not be available after 3/31/2021. Those already enrolled in any e-learning courses will be able to access and complete their courses until 4/30/2021. Questions may be sent to wio@archcare.org until 4/30/2021. After that time, any communication regarding the ArchCare WIO may be sent to cbrock@archcare.org.

It has been a pleasure to work with you in helping the long-term care community grow and learn. We hope you enjoyed our service as much as we enjoyed serving you.

With Gratitude and Appreciation,

ArchCare WIO
