Dear San Vicente, de Paul Residence Community,

The New York State Department of Health (NYSDOH) and the Centers for Medicare and Medicaid Services (CMS) maintain information on nursing homes, which includes performance on quality measures, health inspection results, citations, complaints, enforcement actions or any penalties imposed.

- CMS has created a tool called **Care Compare** to assist consumers search for and select nursing homes and other health care providers. According to CMS, the information it maintains on nursing homes should be used with other information you gather about the provider and facilities in your area. In addition, to reviewing Care Compare information, please speak with your doctor, social worker or health care providers when choosing a provider. Quality and compliance information maintained by the U.S. Centers for Medicare and Medicaid Services can be found at:  
<https://www.medicare.gov/care-compare/?providerType=NursingHome>,  
In **My Location**, please enter, New York, NY 10459, for **Name of Facility**, please enter, St Vincent DePaul Residence. Click search and the name of the facility name and the results will appear.
- Similarly, NYSDOH has created **NYS Health Profiles**, which can be accessed by going to: <https://profiles.health.ny.gov>. In the search bar type, St Vincent DePaul Residence. Click on the name and the results will appear.

If you have any additional questions or would like more information, please feel free to contact me at your convenience.

Sincerely,

Shennoy Wellington-Roberts
