2026

Formulary

(List of Covered Drugs)

This formulary was updated on August 1, 2026. For more recent information or other questions, please contact ArchCare Senior Life (PACE) Member Services at 1-866-412-5435 or, for TTY users, 711, 24 hours a day, 7 days a week, or visit www.ArchCareSeniorLife.org.

archcare Senior Life

ArchCare Senior Life (PACE)

2026 Formulary

List of Covered Drugs

PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION ABOUT THE DRUGS WE COVER IN THIS PLAN

Formulary ID: 00026079, Version Number: 13

Note to existing members: This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this drug list (formulary) refers to "we," "us", or "our," it means Catholic Managed Long Term Care, Inc. When it refers to "plan" or "our plan," it means ArchCare Senior Life (PACE).

ArchCare Senior Life is a Program of All-inclusive Care for the Elderly (PACE). PACE is a community-based healthcare program created for people 55 and over who require nursing-home-level care, but prefer to receive it in their own familiar surroundings.

This document includes the Drug List (formulary) for our plan which is current as of August 1, 2026. For an updated Drug List (formulary), please contact us. Our contact information, along with the date we last updated the Drug List (formulary), appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary and/or pharmacy network may change on January 1, 2026, and from time to time during the year.

What is the ArchCare Senior Life (PACE) Formulary?

In this document, we use the terms Drug List and formulary to mean the same thing. A formulary is a list of covered drugs selected by ArchCare Senior Life (PACE) in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. ArchCare Senior Life (PACE) will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at an ArchCare Senior Life (PACE) network pharmacy, and other plan rules are followed.

Can the formulary change?

Most changes in drug coverage happen on January 1, but ArchCare Senior Life (PACE) may add or remove drugs on the formulary during the year or add new restrictions. We must follow the Medicare rules in making these changes. Updates to the formulary are posted monthly to our website here: www.ArchCareSeniorLife.org.

Changes that can affect you this year: In the below cases, you will be affected by coverage changes during the year:

- **Immediate substitutions of certain new versions of brand name drugs and original biological products.** We may immediately remove a drug from our formulary if we are replacing it with a certain new version of that drug that will appear with the same or fewer restrictions. When we add a new version of a drug to our formulary, we may decide to keep the brand name drug or original biological product on our formulary, but immediately add new restrictions

  We can make these immediate changes only if we are adding a new generic version of a brand name drug, or adding certain new biosimilar versions of an original biological product, that was already on the formulary (for example, adding an interchangeable biosimilar that can be substituted for an original biological product by a pharmacy without a new prescription).

  If you are currently taking the brand name drug or original biological product, we may not tell you in advance before we make an immediate change, but we will later provide you with information about the specific change(s) we have made.

  If we make such a change, you or your prescriber can ask us to make an exception and continue to cover for you the drug that is being changed. For more information, see the section below titled "How do I request an exception to the ArchCare Senior Life (PACE)'s Formulary?"

  Some of these drug types may be new to you. For more information, see the section below titled "What are original biological products and how are they related to biosimilars?"

- **Drugs removed from the market.** If a drug is withdrawn from sale by the manufacturer or the Food and Drug Administration (FDA) determines to be withdrawn for safety or effectiveness reasons, we may immediately remove the drug from our formulary and later provide notice to members who take the drug.

- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may remove a brand name drug from the formulary when adding a generic equivalent or remove an original biological product when adding a biosimilar. We may also apply new restrictions to the brand name drug or original biological product. We may make changes based on new clinical guidelines. If we remove drugs

from our formulary or add prior authorization, quantity limits and/or step therapy restrictions on a drug, we must notify affected members of the change at least 30 days before the change becomes effective. Alternatively, when a member requests a refill of the drug, they may receive a 30-day supply of the drug and notice of the change.

If we make these other changes, you or your prescriber can ask us to make an exception for you and continue to cover the drug you have been taking. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled "How do I request an exception to the ArchCare Senior Life (PACE)'s Formulary?"

Changes that will not affect you if you are currently taking the drug. Generally, if you are taking a drug on our 2026 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2026 coverage year except as described above. This means these drugs will remain available at the same cost sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the formulary for the new benefit year for any changes to drugs.

The enclosed formulary is current as of August 1, 2026. To get updated information about the drugs covered by ArchCare Senior Life (PACE), please contact us. Our contact information appears on the front and back cover pages. Please visit our web site at www.ArchCareSeniorLife.org or call Member Services at 1-866-412-5435, 24 hours a day, 7 days a week. TTY/TDD users should call 711. We will notify you by mail in the event of mid-year non-maintenance formulary changes.

How do I use the Formulary?

There are two ways to find your drug within the formulary:

Medical Condition
The formulary begins on page 13. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "Cardiovascular". If you know what your drug is used for, look for the category name in the list that begins below. Then look under the category name for your drug.

Alphabetical Listing
If you are not sure what category to look under, you should look for your drug in the Index that begins on page 251. The Index provides an alphabetical list of all of the drugs included in this document. Both brand name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

This document includes a list of drugs covered on our formulary as of August 1, 2026. You can find information on what the symbols and abbreviations on this table mean by going to page 8.

What are generic drugs?

ArchCare Senior Life (PACE) covers both brand name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand name drug. Generally, generic drugs cost less than brand name drugs. There are generic drug substitutes available for many brand name drugs. Generic drugs usually can be substituted for the brand name drug at the pharmacy without needing a new prescription, depending on state laws.

What are original biological products and how are they related to biosimilars?

On the formulary, when we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have alternatives that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

Prior Authorization: ArchCare Senior Life (PACE) requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from ArchCare Senior Life (PACE) before you fill your prescriptions. If you don't get approval, ArchCare Senior Life (PACE) may not cover the drug.

Quantity Limits: For certain drugs, ArchCare Senior Life (PACE) limits the amount of the drug that ArchCare Senior Life (PACE) will cover. For example, ArchCare Senior Life (PACE) provides 30 tablets per prescription for Kerendia. This may be in addition to a standard one-month or three-month supply.

Step Therapy: In some cases, ArchCare Senior Life (PACE) requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, ArchCare Senior Life (PACE) may not cover Drug B unless you try Drug A first. If Drug A does not work for you, ArchCare Senior Life (PACE) will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 13. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online a document that explains our prior authorization and step therapy restrictions. You may also ask us to send you a

copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask ArchCare Senior Life (PACE) to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the ArchCare Senior Life (PACE)'s formulary?" on page 6 for information about how to request an exception.

What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact Member Services and ask if your drug is covered.

If you learn that ArchCare Senior Life (PACE) does not cover your drug, you have two options:

- You can ask Member Services for a list of similar drugs that are covered by ArchCare Senior Life (PACE). When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by ArchCare Senior Life (PACE).

- You can ask ArchCare Senior Life (PACE) to make an exception and cover your drug. See below for information about how to request an exception.

How do I request an exception to the ArchCare Senior Life (PACE)'s Formulary?

You can ask ArchCare Senior Life (PACE) to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered.

- You can ask us to waive a coverage restriction including prior authorization, step therapy, or a quantity limit on your drug. For example, for certain drugs, ArchCare Senior Life (PACE) limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, ArchCare Senior Life (PACE) will only approve your request for an exception if the alternative drugs included on the plan's formulary or the restriction would not be as effective for you and/or would cause you to have adverse effects.

You or your prescriber should contact us to ask us for a formulary exception, including an exception to a coverage restriction. **When you request an exception, your prescriber will need to explain the medical reasons why you need the exception.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can ask for an expedited (fast) decision if you believe, and we agree, that your health could be seriously harmed

by waiting up to 72 hours for a decision. If we agree, or your prescriber asks for a fast decision, we must give you a decision no later than 24 hours after we get your prescriber's supporting statement.

What can I do if my drug is not on the formulary or has a restriction?

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but has a coverage restriction, such as prior authorization. You should talk to your prescriber about requesting a coverage decision to show that you meet the criteria for approval, switching to an alternative drug that we cover, or requesting a formulary exception so that we will cover the drug you take. While you and your doctor determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or has a coverage restriction, we will cover a temporary 30-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 30-day supply of medication. If coverage is not approved, after your first 30-day supply, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug (unless you have a prescription for fewer days) while you pursue a formulary exception.

If you experience a change in level of care, we will cover a transition supply of your drugs. A level of care change occurs when you are discharged from a hospital or moved to or from a long-term care facility. In these instances, we will provide an emergency supply of non-formulary medication (including Part D medications that are on our formulary but require prior authorization or step therapy under our utilization management rules). This emergency supply will be for one 31-day supply, or less if your prescription is written for fewer days. The emergency supply is to ensure that you receive your medications while an exception has been requested.

For more information

For more detailed information about your ArchCare Senior Life (PACE) prescription drug coverage, please review your plan materials.

If you have questions about ArchCare Senior Life (PACE), please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day/7 days a week. TTY users should call 1-877-486-2048. Or, visit http://www.medicare.gov.

This document includes a list of drugs covered on our formulary as of August 1, 2026. You can find information on what the symbols and abbreviations on this table mean by going to page 8.

ArchCare Senior Life (PACE)'s Formulary

The formulary below provides coverage information about the drugs covered by ArchCare Senior Life (PACE). If you have trouble finding your drug in the list, turn to the Index that begins on page 251.

The first column of the chart lists the drug name. Brand name drugs are capitalized (e.g., COUMADIN) and generic drugs are listed in lower-case italics (e.g., *warfarin*).

The information in the Requirements/Limits column tells you if ArchCare Senior Life (PACE) has any special requirements for coverage of your drug.

GUIDE TO ABBREVIATIONS

PA – Prior Authorization required. This means that you or your physician must get approval from us before you fill your prescriptions for certain drugs. If you do not get approval, we may not cover the drugs.

QL – Quantity limits apply. For certain drugs we limit the amount that the plan will cover.

B/D – The plan will determine whether this drug will be covered under Medicare Part B or Part D based on the reason this drug has been prescribed by your doctor.

NM – Not available at our mail-order pharmacies. Not all drugs are available at mail-order, please check with customer service if you have any questions.

ST – Step Therapy. This means that we may require you to first try certain drugs to treat your medical condition before we will cover another drug for that condition.

ArchCare Senior Life is a Program of All-inclusive Care for the Elderly (PACE).

You can ask for this information for free in other formats, such as Braille, large print, data CD, audio CD or qualified reader. Puede solicitar esta información de forma gratuita en otros formatos, tales como Braille, letra grande, en CD, CD de audio o un lector cualificado.

The formulary, pharmacy network and provider network may change at any time. You will receive notice when necessary.

Discrimination is Against the Law

ArchCare complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. ArchCare does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

ArchCare

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact ArchCare Compliance at 800-443-0463, TTY 711

If you believe that ArchCare has failed to provide these services listed above or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with: ArchCare Compliance at 800-443-0463, TTY 711, or email PACE1557grievances@archcare.org. You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, ArchCare Compliance at 800-443-0463, TTY 711 is available to help you.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at https://ocrportal.hhs.gov/ocr/cp/wizard_cp.jsf or by mail or phone at:

U.S. Department of Health and Human Services
200 Independence Avenue, SW
Room 509F, HHH Building
Washington, D.C. 20201
